Aminur Rahman

MERN Stack / Frontend Developer
✉ amin.ar679799@gmail.com | 🔗 [(9) Aminur Rahman | LinkedIn](#) | 🐙
🌐 Amin-ur-Rahman - Repositories

Summary

Passionate frontend developer with experience building efficient, production-ready MERN stack applications. Skilled in React, Node.js, Tailwind CSS, and Git, with a focus on clean UI, smooth user experiences, and organized code. Currently enhancing full-stack skills and deployment workflows.

Technical Skills

Languages: JavaScript, HTML, CSS
Frameworks / Libraries: React, Node.js, Express.js, Tailwind CSS, TanStack Query
Database: MongoDB
Tools: Git & GitHub, VS Code, Postman, Vite, Render, Vercel, Netlify

Projects

🍴 **Food Review Platform (MERN Stack)**

- Full-stack application with authentication, user dashboards, review system, filters, and admin features
- **Live: https://local-food-lovers-amin-ur-rahman.netlify.app** | **Client Repo:** **Amin-ur-Rahman/Ph-assignment-10-client** | **Server Repo:** 🌐 Amin-ur-Rahman - Repositories

📊 **React UI Dashboard**

- Minimal, responsive dashboard with reusable components and clean design
- **Repo:** 🌐 **Amin-ur-Rahman - Repositories**

🔒 **Authentication System**

- JWT login, registration, password protection, and secure API routes
- **Repo:** your-link

Additional Info

🌱 Currently learning: Advanced React patterns, deployment workflows, and new frameworks

💬 Ask me about: React, core JavaScript, layout puzzles, backend logics

⚡ Fun fact: I always find out a smart way of doing things.
